

# WORLD TEAM TENNIS

## IS HERE AT FORT SANDERS TENNIS!!

Started in 1985, more than 1 million players of all ages and abilities have participated in WTT community programs, events, and competitions. The format features [coed teams](#) competing with no-ad scoring, substitution, and coaching. All players compete to qualify for National Qualifiers and the National Championships.

### ***WHAT.....***

WTT consists of co-ed teams competing in format of six 8 game no-ad pro sets. One set each of mens and womens doubles, one set each of mens and womens singles, and then 2 sets of mixed doubles. The home team captain will get to decide the order or matchplay.

The total games won in all sets will determine the winner of the match. And, Coaching is allowed and substitutions can occur during the match.

### ***WHO....***

All teams must have a minimum of two men and two women, with no maximum but only 10 players may advance past local play. Those 10 players must have played twice in local play in order to advance.

All players must have a USTA rating at the beginning of play.

The average rating of the top 2 men and women will determine the level of play for the team to enter. (Example: Court #1 4.5+4.5, Court #2 4.5+4.0 and Court #3 4.5 + 3.5) In this example, the total of the **TOP** 4 players ratings =17.5. Therefore  $17.5/4= 4.375$ . This team will enter the 4.5 and under division.

### ***WHEN....***

WTT registration is now ongoing. Each division must have 4 teams to be a sanctioned WTT league.

Matchplay for the **4.0 and under** division will be on SUNDAYS outside from 4 to 6 pm. This begins **June 2.**

Matchplay for the **3.5 and under** division will be on SATURDAYS outside from 4 to 6 pm. This begins **June 1.**

The number of matches will be determined on number of teams entered in each division.

### ***WHERE...***

Matches will be played at Ft. Sanders Health and Fitness Club. **The 4.0 & 3.5 division will play outdoors on courts 1-4.**

***Entry cost for outdoor divisions will be \$30.***
