Dermaplane Facial\$100 (pkg. of 3 for \$265)

A safe and effective exfoliating method. During this process, a sterile surgical scalpel shaves the skin's surface. The goal of the Dermaplane procedure is to remove dead skin and peach fuzz from the face.

LED Light Therapy Add-on..... \$45

A safe, non-UV natural process that encourages your body to produce enzymes and collagen that support the skin structure, thus producing a younger, smoother looking skin.
