Keep your skin moisturized for 2 days prior to your spray tan.

Always exfoliate and / or shave or wax the day before rather than the day of your tanning session.

Avoid applying makeup, lotions, deodorants, or oils the day of your tan.

Book your appointment 2-3 days before an event so your spray has time to set and look its natural best.

Wear or bring dark, loose fitting clothing and flip flops to your appointment to wear after your spray.
